

Zion National Park Spring Break Service Trip:

Do you...love the outdoors?...need a resume builder?...want to spend your spring break in a beautiful place?

If you are looking for an incredible alternative break experience, look no further. Y-Immersion invites students on a week-long camping trip to gorgeous Zion National Park, Utah. Zion National Park is known for its gorgeous sandstone cliffs, unique wildlife, and rich indigenous history.

The week will include:

- camping in Zion National Park
- volunteering with the National Parks Service to remove invasive species, maintain trails, and plant native species
- exploring the beautiful natural scenery

This is an awesome opportunity to gain hands-on experience volunteering in one of the nation's most pristine parks and connect with other students who are passionate about conservation and park restoration!

Total cost (including transportation, food, and program fee) is estimated to be \$600.
