RE: Student Internship with the National Park Service, St Paul, MN

Dear colleague:

The National Park Service in St. Paul, MN has an opportunity for an ambitious student to support resource planning and management efforts on the Mississippi River. The starting pay is $20.35/hour and the selected individual will work 16-20 hours per week during the academic year and 40 hours per week during the summer. A start date in May 2016 is anticipated and will be based on student availability and administrative procedure completion. Extension of the position beyond September 30, 2016 will depend upon funding.

The individual will have an opportunity to assist with projects involving state rulemaking, small area planning, development and environmental review, land use policy and compliance, recreational planning, and geographic information systems.

The Student Trainee (Outdoor Recreation Planner) GS-0099-07 position will be located in the offices of the Mississippi National River and Recreation Area in downtown St. Paul. This internship position is announced under the Pathways Program (Internship). http://www.nps.gov/aboutus/pathways.htm

Interested candidates MUST apply through USAjobs.gov; job announcement number MWWW-EX-16-027 (1628068). https://www.usajobs.gov/GetJob/ViewDetails/429697700

The position announcement opens Friday, February 19, 2016 and closes 11:59 PM Eastern Time on Wednesday March 2, 2016.

Sincerely,

[Signature]

Alan Robbins-Fenger,
Chief of Resource Management
