Company: Vineland Tree Care

Job Title: Arborist Sales Representative

Job Status: Full Time

Vineland Tree Care is a full service tree maintenance company with a twenty person summer staff. We take pride in our company and seek dedicated, hard-working, and honest individuals to join our growing company.

Vineland Tree Care is seeking an experienced sales representative. This position involves creating and maintaining relationships with retail and commercial clients. This individual must be knowledgeable and experienced in tree care, hazard evaluation, pest management and industry standards for tree care. The position involves estimating time and materials for crews to perform all facets of tree care needs, including removal, pruning, cabling, and plant health care.

Specific qualifications:
- ISA Certification
- Knowledge of trees, insects and diseases
- Knowledge of proper tree care and safety practices
- Attention to detail
- Clean driving record
- Strong communication, listening and people skills
- Self-motivated

Compensation:
- Pay based upon experience and performance
- Health benefits and vacation accrual after probation period has been met
