ADMINISTRATIVE ROLE Director, UMN Tourism Center, 2003-2015

Facilitated Center success through engagement with and leadership of 3 direct reports, 11 statewide educators, and 25 member Advisory Committee.

Select accomplishments:

- Reconstituted advisory committee toward participatory advisement; developed sub-committees focused on education, research, development and marketing; committee viewed as model across colleges
- Budget increased 33% in economic downturn.
- Initiated regular, timely and effective correspondence with stakeholders in terms of annual report & quarterly electronic newsletter. Center contacts tripled during appointment.
- Initiated, developed and monitored social media communication efforts through Facebook Twitter & LinkedIn; efforts viewed as model for College
- Initiated annual 'tourism immersion' training with diverse and geographically separated educators to enhance knowledge of educational products and cooperative opportunities. Co-authored publications and educational programs emerged from this relationship building experience.
- Enhanced international relationships with University and non-governmental organizations
- Developed and reinvigorated donor relations with significant increase in donations
